

Thank You!

Thank You!

Belong More Deeply

Good Stewards are those who constantly pray: **Lord, what do You want to do through me to accomplish Your will?** They live deeply committed to the Lord in prayer, and reflect that commitment in their loving service to their sisters and brothers.

On behalf of our parish family, I want to thank you for completing your Time and Talent Commitment Card this year. In so doing, you are generously investing yourself in the growth of the relationships that lie at the heart of our Church community and which allow us to fulfill the Mission entrusted to us by God.

Together, we are one Body in Christ. May we continue to **belong more deeply** as we grow in our commitment to the Lord and to each other! Thank you for your stewardship commitment to us!
